Experience

GENERAL ASSEMBLY

2020 – Present

Software Engineering Immersion

Three-month, 500-hour full-time and full-stack program conducted in a remote setting, providing experience with the latest front- and back-end programming languages, tools, and methodologies including: HTML, CSS, JavaScript, jQuery, PostgreSQL, MongoDB, NodeJS, ReactJS, Git, GitHub, and Agile/Scrum.

- Developing a portfolio of individually and collaboratively focused in-class projects, including a Web Based Blackjack Game, a MEN-Stack CRUD Database, and other projects to come.

WILEY EDUCATION SERVICES, Worked Remotely

2019 – 2020

Education Liaison

Responsible for recruiting community college students to 4-year online programs for partner universities.

- Created and implemented an annual outreach plan for partner community colleges, including designing new transfer opportunities, leading classroom presentations, and working with stakeholders to find solutions to transfer problems.

SOUTHERN NEW HAMPSHIRE UNIVERSITY, Manchester, NH

2018 – 2019

Transfer Articulation Program Manager

2018 – 2019

Key Account Partner

2014 – 2018

Project managed articulation agreements between community colleges and Southern New Hampshire University's Global Campus.

- Spearheaded initiative to make PDF's ADA compliant for web and created 28 pathway templates in Adobe InDesign.
- Project managed the creation of new pathway templates, contract execution, and legal compliance.
- Collaborated with the Data Services Team to deliver timely and accurate data analysis for the community college outreach team, utilizing Microsoft Excel's pivot tables.
- Managed several community college and corporate accounts through the pipeline, from inquiry to implementation.
